**New Spare Parts - Control Panel Repair Simplified**

Currently we offer all of the individual parts for the mower control panel with very reasonable pricing.

We recognize that labor time in the dealers' shop is also a precious commodity. To simplify most repairs relating to the mower controls we are now offering a Complete Control Panel that can be ordered as follows:

**Zone Start Mowers (Bravo 21)**

Control Panel Compl. 201178-1

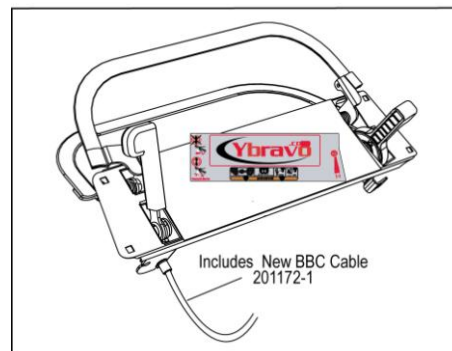

Control Panel Complete for Zone Start Mowers: **Part Number:** [201178-1](#) **List Price:** \$20.00

---

**BBC Mowers (Bravo 21 and Bravo 25)**

Control Panel Compl. 201179-1

Control Panel Complete for BBC Mowers: **Part Number:** [201179-1](#) **List Price:** \$30.00

**Note:** This is a new design on the BBC linkage and includes a new BBC cable that must be installed.

For BBC cable installation instruction go to: Service Tips>>Commercial Mower Tips>>[BBC Cable Installation](#)
